## Dear Hiring Manager:

Thank you for the opportunity to apply for Web Developer role at your company. After reviewing your job description, it is clear that you are looking for a candidate that have knowledge related to Web Applications and familiar with responsibilities regarding to this job and can perform them confidently. I read all of your requirements and feel that I have all the essential skills for this job.

I recently graduate from Manitoba Institute of Trades and Technology with a Software Developer Diploma. Throughout my academic career, I have been praised as hard-working and diligent by my professor and peers. I have worked on lots of Web Development projects with lots of new Technologies like Jasmine testing framework, ES6, makes websites to work offline. I have developed critical thinking, leadership and problem-solving skills as well during work on my projects as group which I hope to leverage into Web Developer at your company.

After reviewing my resume, I hope you will agree that I am the person with education and skills that you are looking for. I have attached all other skills in my resume. I look forward to more elaborate on how my skills and abilities will benefit to your company. Please contact me at (204)869-1775 or via email at [palwindersandhu367@gmail.com](mailto:palwindersandhu367@gmail.com) to Know more about me.

Thank you for your consideration, I look forward to hear from you soon.

En: Please see my enclosed resume

**Sincerely,**

Palwinder Kaur
